

## Warranty Policy - Medical Gas Pipeline Equipment

Amico Corporation warrants its Medical Gas Pipeline Equipment to be free from defects in material and workmanship for a period of twelve (12) months from the date of shipment. Within this period Amico Corporation will repair or replace any part on site, or at the factory, which is proven to be defective at Amico's cost.

Furthermore, Amico Corporation will warrant its material to be free from defect for an additional period of four (4) years (five [5] years from the date of shipment). Within this period, Amico Corporation will replace any part which is proven to be defective, at no charge. First year - Freight, parts and labor covered. Remaining 4 years has now been expanded to also include freight and all parts.

This warranty applies to finished products only. Component parts being ordered for repair or replacement do not fall under the five (5) year warranty. Warranty for component parts will be 90 days from the date of shipment.

This warranty is valid only when the product has been properly installed according to Amico Corporation specifications. The validity of this warranty also depends on proper usage and servicing of our products according to factory recommendations. It does not cover failures due to damage which occurs in shipments or failures which result from accidents, misuse, abuse, neglect, mishandling, alteration, misapplication or damage that may be attributable to acts of God. Amico Corporation shall not be liable for incidental or consequential damages resulting from the use of the equipment.

All claims for warranty must first be approved by Amico Corporation's Service Department at: [service@amico.com](mailto:service@amico.com) or 1-877-462-6426). A valid Return Goods Authorization (RGA) number must be obtained from Amico Corporation prior to commencement of any service work. Warranty work, which has not been pre-authorized by Amico Corporation, will not be reimbursed.
